

Bon Appétit

There is always something for everyone.

Bon Appétit is located in the historic premises of the Svenska Teatern in Helsinki. Here we serve classic dishes such as Biff Rydberg, a classic Skagen, Seafood plateau among other delicacies. We invest in high-quality service, good drinks and good ingredients. We also manage the intermission service at Svenska Teatern, which you can book in advance.

At Bon Appétit, we serve grilled premium hamburgers and kebab with tasty side dishes and products of the highest quality. We focus on small-scale preparation and cooking, newly baked bread, and our own house dressings.
